Visual Delights: Ambition OpArt Black Sand

The Ambition OpArt Black Sand is a tribute to a style-defining art form of the 60s: Optical Art. The slimline barrel with its delicate guilloché pattern creates surprising visual effects, revealing a precise pattern of colours and shapes and yielding a fascinating glimmer. The sand-coloured base tone gives the Ambition its classical elegance and makes it the perfect business accessory.

The chrome-plated front and end pieces add a touch of lustre. The ballpoint pen has a twist mechanism to extend and retract the black magnum refill in line width B. The fountain pen, too, promises perfect ease of writing with its high-grade stainless steel spring and cap that fits either end. Its spring-loaded metal clip secures the pen safely to an agenda or diary.
