

Fascinating retro flair: AMBITION resin OpArt Curry

The AMBITION resin OpArt Curry pays homage to one of the most iconic art forms of the 1960s. Its slim barrel features a fine guilloché pattern, the geometric lines and colours creating a fascinating three dimensional effect. The AMBITION is a statement piece to adorn your desk; with its sensual warm yellow-green spice nuances it simply oozes retro flair.

The front and end pieces made of highly polished, chrome-plated metal provide contrast. The ballpoint pen has a twist mechanism to extend and retract the black magnum refill in line width B. The fountain pen also promises unrivalled writing comfort with its high quality stainless steel nib and with a cap that fits either end, featuring a metal spring clip that holds it firmly in place in your diary or organiser.
