### **Compact ink brushes: PITT artist pen in studio box of 60**

One pen for a variety of uses: With its flexible and versatile brush tip, the PITT artist pen is the perfect tool for illustrators, graphic designers, designers, architects, professional artists and hobby users alike. It combines brush and ink in one instrument and thus facilitates multi-faceted drawing and painting. By varying the strokes, even untrained artists can achieve fine lines and dotted details effortlessly. The PITT artist pen is filled with highly pigmented and light-resistant water-based drawing ink that dries quickly. For all fans of the pen, the new studio box is now available: 60 PITT artist pens, in a compact and practical set. Creative diversity which also makes a perfect present!
