

### **Inspiringly oriental flair: AMBITION OpArt Safran**

A true mood enhancer for grey autumn days: The AMBITION high-grade OpArt Safran pays homage to one of the most iconic art forms of the 1960s. Its slim barrel features a fine guilloché pattern, the geometric lines and colours creating a fascinating three dimensional effect. Warm, earthy, reddish nuances of spice give the ballpoint and fountain pens a sensual touch while exuding an inspiringly oriental flair at the desk. The writing instruments are particularly attractive in combination with their trendy counterpart in yellow-green – the AMBITION OpArt Curry.
