

**For kids with unlimited creativity:**

### **Connector felt-tip pen case**

This pretty case has everything that little explorers need for their creative adventures: 40 Connector felt-tip pens in great colours for endless drawing fun. Thanks to the clip on the cap and the included connection clips, they can also be put together to create small objects. Several felt-tip pens can also be run across the paper at the same time – just get started and try it out! Also included in the set: a passport to colour in with motifs from faraway countries. Of course, the case also has space for personal favourites such as your favourite cuddly toy or small travel souvenirs from your last holiday. A compact companion that makes a great gift idea for the next child's birthday party!
